

### REMARKS

The Examiner has allowed claims 28 and 30. The Examiner has rejected claims 31, 32, 34-40 and 42-46. Applicant is canceling claims 31, 32, 34-40 and 42-46 without prejudice or disclaimer. As a result, claims 28 and 38 are pending for examination, with claim 28 being an independent claim.

### CONCLUSION

Accordingly, in view of the above amendment and remarks it is submitted that the claims are patentably distinct over the prior art and that all the rejections to the claims have been overcome. Reconsideration and reexamination of the above Application is requested. Based on the foregoing, Applicant respectfully requests that pending claims 28 and 30 be allowed, and that a timely Notice of Allowance be issued in this case. If the Examiner believes, after this amendment, that the application is not in condition for allowance, the Examiner is requested to call the Applicant's attorney at the telephone number listed below.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee, please charge any deficiency to **Deposit Account No. 50-0463**.
